

Portrait shoots

An hour long shoot at your home or a location of your choice. Following the shoot, you are provided with edited, high-resolution images in a password-protected gallery, with the ability to download and permission to print

£139

Events

A minimum of four hours, covering your event as required. Following the shoot, you are provided with edited, high-resolution images in a password-protected gallery, with the ability to download and permission to print (for you and your guests).

From £399

Other commissions

I am available for other commissions including property/interior and food photography. Please contact me with your requirements to request a quote.
